Electronic temperature controls	R600a refrigerant better for the environment		

Product Details

Benefits

FlexSpace™, it's size redefined

With a busy lifestyle and a growing family, you can always do with more space in your fridge. That's why Westinghouse created FlexSpace™, which is designed to maximise storage, flexibility and access to meet your ever-changing needs. Big enough to handle even the biggest grocery shop, you'll be able to fit in all your food and drinks with ease.

Adjustable solutions with FlexStor™

As your family changes and grows, so do the requirements of your fridge. With FlexStor™ you enjoy the convenience of being able to easily change the configuration, whatever your needs. Adjust the height and position of the door bins to fit in large and smaller items and arrange your fridge your way.

Pigeon Pair

Westinghouse's vertical fridges and freezers can be combined in one space to give you a pigeon pair. This provides you with the maximum fresh food and freezer storage in one unit- truly the big fridge for the big family

Easy to clean with Spillsafe glass shelves

Spillsafe glass shelves improve visibility and isolate leaks. Preventing up to 1 litre of spills from dripping onto shelves below
