

Product Details

FEATURES

Cutlery drawer
Free up the bottom basket to fit more in with the removable cutlery tray

XXL extra tall tub

LightBeam on the floor
A discrete light beam on the floor informs you when your wash is in progress or finished.

XtraDry

TimeManager
Set a finish time so that clean dishes are always ready when you need them

MyFavourite program
This handy feature allows you to save your personal favourite wash program and use it with the touch of a button.

QuickPlus at 60oC
Our 30 minute quick wash program washes at up to 60oC and ensures great results for lightly soiled dishes.

FlexiSpray arm

Aqua Control
Peace of mind with Aqua Control anti-flood protection.

FlexiBasket
Enjoy the perfect combination of foldable racks and shelves with FlexiLift adjustable upper basket, and successfully load even those awkwardly shaped items with ease.

Auto Off

BENEFITS

Naturally inspired drying
Ensure your dishes are dry when you're ready to put them away. Our new AirDry technology automatically opens the door by 10cm towards the end of the cycle, and the door stays open until you're ready to unload. This ensures a natural way to get maximum drying performance while effectively reducing your energy costs.

Clean more than ever
With 25% more capacity than an average dishwasher, RealLife can accommodate even your most unusually shaped dishes. Enjoy complete cooking freedom using whichever utensils, pots and serving platters suit your culinary creativity knowing everything is loaded into RealLife will be cared for.

Cleans glasses gently and pans intensively in the same cycle
The FlexiWash program uses different settings for the upper and lower baskets, so you always get the best results for each item, even if its a mixed load.

All corners reached
Achieve outstanding results with our FlexiSpray arm and five spray levels. Unlike traditional spray arms, ours moves in multiple directions, reaching even the most crowded area to ensure all of your items are impeccably clean, no matter how they are loaded.

Inverter System
Enjoy the peace that comes with an ultra-quiet dishwasher. With a whisper-quiet 44dBA operation noise level, you can wash your dishes at any time convenient for you. The Inverter Motor is also extremely durable and long lasting.

Intelligent AutoFlex program
Now you can let your dishwasher do the thinking for you. We know every load of dishes is different, so we created AutoFlex, an intuitive program that automatically selects the optimum temperature, water, energy and wash time. Its incredibly easy to use and offers exceptional results and efficiency. Whats more, the multi-stage AutoFlex sensors detect the degree of cleaning needed and the quantity of items in the baskets for an optimum performance.

Specifications

PRODUCT PROFILE

Domestic warranty details (yrs)	2
Type of Dishwashers	fully integrated
Place settings	15
Drying system	condensing
Number of spray arms	3
Top shower	Yes

DIMENSIONS

Total height (mm)	818
