

Page Profi
Artikel-Nummer 67080

Key Features

- Large objects can hide the display during the weighing process - with the activated HOLD function this weight is visible even after the weighing process
- The sensor keys ensure easy and comfortable handling - a slight touch of the keys is sufficient
- 15 kg load capacity, graduation to 1 g precise
- With convenient add-weight function (Tare)
- 5-year guarantee

Description / Advertising text

The new all-round talent with the extra-high load capacity. The super-flat digital kitchen scale Page Profi can handle up to 15 kg with ease. It still weighs to one gram precise and freezes the display for 10 seconds with the innovative HOLD function. So you can even weigh large items that hide the display.
