MULTI FUNCTION

MADE IN ITALY

CAPACITY

Key features	Benefits
Double oven design	This oven has two separate ovens stacked above one another which is great for those who entertain or have big families.
Multifunction	Multifunction ovens enable you to cook with a combination of heat from the top, bottom and main elements. This offers more versatility, control and better results when cooking a variety of dishes.
6 chicken capacity	These ovens have an extra-large capacity that can accommodate six large chickens at once.
