Bring the beat back!

Overview

Enhance your movie, TV or gaming sound experience with the CJ65, a medium sized audio system with powerful 900W RMS Total Power output.

Total Power and Speakers

- 900W RMS
- 4 Speakers
- Stereo system
- Feel the beat with intense, powerful sounds

Two USB Ports

With up to two USB ports you can have more music ready to go.

Karaoke feature with Voice Canceller & Key Changer

Sing along to any track! Voice Canceller reduces the existing song's vocals, so that your voice can be heard more clearly. Key Changer adjusts the pitch of the song to suit your voice!

Stream music with Bluetooth®

Use Bluetooth® audio streaming to listen to music and online music streaming services via your mobile device. Pair up to three devices simultaneously* (including phones, tablets or PCs). So friends can play their music one after the other, without going through the disconnecting or connecting process.

*Music Flow Bluetooth® App required. (minimum Android version 4.0.3)
