Features & Benefits

Easy to use

An easy-to-use, intuitive display gives you all the information you need, including a cooking guide with 12 preselected automatic cooking modes.

Sized to suit

A compact 460mm height means this microwave oven can be placed virtually anywhere. All companion products can be installed at a convenient height to suit your kitchen design and preference.

Safe and sound

A child key lock has been included in the design of this built-in oven for added safety.

Cooking flexibility

Choice of 10 cooking modes including Fan Forced and full width dual variable Grill giving you the best of microwave and conventional oven technology.

Designed to match

Finished in black reflective glass with a polished metal trim, this microwave oven is designed to match the other companion products and the rest of Fisher & Paykel's kitchen family.

Easy cleaning

This microwave oven has an easy-clean enamel interior and removable side racks for effortless cleaning.
