

CLEANVIEW TURBO

MULTI CYCLONIC BAGLESS CANISTER VACUUM

The BISSELL Cleanview Turbo features multi-cyclonic technology that gives you continuous, powerful suction across both carpets and hard floors. The compact design makes it easy to store and the lightweight design make moving around furniture and between rooms a snap. The Easy Empty™ Dirt Tank provides for bottom emptying to keep dirt off your hands. The included tools and telescopic wand let you clean those hard-to-reach areas of your home with ease.

- Turbine Carpet Floor Tool is a powerful turbine driven brushroll for excellent carpet cleaning.
- Combination Floor Tool will easily go from cleaning carpet to hard floor with a flip of a switch.
- Turbine Hard Floor Tool is a powerful air-driven brushroll that is tough on dirt, gentle on hard floors.
- Multi-Cyclonic technology provides continuous, powerful suction for a thorough clean.
- Included:
 - Dusting Brush
 - Upholstery Tool
 - Combination Floor Tool
 - Turbine Carpet Floor Tool
 - Turbine Hard Floor Tool
