SELF-CLEANING TECHNOLOGY [Pyrolytic]

A faster, safer and better way to clean without harsh chemicals or abrasive cleaning tools. Engineered to automatically run a self-clean cycle so that you don't have to.

MULTI-FUNCTION COOKING

Multi-function cooking to suit your needs: bake, roast, grill, defrost, and more.

EVEN HEAT DISTRIBUTION

Maximum air circulation to reduce cooking time by distributing heat evenly throughout the oven for the best cooking results.

FULL VISIBILITY

Turn the internal lamp on while cooking to monitor your dishes without opening the door. Sophisticated extra-wide glass pane for extra visibility.

DIGITAL CONTROL PANEL

Intuitively navigate through 7 different cooking modes and options with precise controls that make regulating time and temperature easy.

ERGONOMICALLY DESIGNED

Angled oven doors and soft close hinges are designed to ensure the door softly and securely close to secure heat inside the oven.

IMPECCABLE DESIGN

Family size 70L capacity combined with sleek stainless steel and a black glass finish adding an elegant feel to match any kitchen design.

EASY TO MAINTAIN

Stain and scratch resistant. Easily wipe down oven after the self clean cycle for best results.
