HP60IDCHX3

Integrated Rangehood, 60cm

———

Series 7 | Integrated

This rangehood is designed to be built into your cabinetry for a seamless look. The fan provides powerful extraction, while the intuitive control panel ensures it's simple to use.

Stainless Steel and Glass

Dimensions

Depth	280mm
Height	315mm
Width	530mm

Features & Benefits

Achieve the invisible
The Integrated Rangehood fits seamlessly behind your kitchen cabinetry, providing ventilation that is as discreet as it is powerful.

Effective extraction
Four fan speeds including the powerful "boost" option ensure that odours, vapour and steam are removed quickly and effectively.

Easy cleaning
The glass and stainless steel finishes are easily wiped clean and the aluminium filters are dishwasher safe. An alert reminds you when to clean the filter so that you get you get the best performance out of your rangehood.

Quality materials
This Rangehood comes in a sleek black glass finish with real stainless steel frame. Hidden LED strip lighting illuminates the cooking surface beautifully.
