mico
microwave cookware

REV 3.0 Aug.17

Model No.

511648

Description

mico Potato

Key USP

Create a microwavable snack that's as tasty as a conventional jacket potato. Unique polymer technology cooks the potato by warming up the metal plate inside. Enjoy at home or on-the-go with the mico range of microwavable snack cookware.

Additional features

- Cool-touch silicone
- Easy to clean
- Make a delicious jacket potato in just 10 minutes
