BCCT9X – Touch Control Ceran Cooktop

Model Code: BCCT9X

Description: 90cm, Touch control, 5 zones with decorative peripheral frame.

Warranty: BLANCOCare™ 2 years parts & labour

Features	Benefits
3 single hi-light elements 1 double zone hi-light element 1 expandable hi-light element	Faster heat times (compared to radiant elements), with a uniform heat distribution.
9 heat settings	You can select the ideal cooking temperature for all types of foods to provide great cooking results.
Residual heat light	Allows you to see that the surface of the cooktop is still hot.
Emergency “off”	Cooktop will automatically shut down if any substance is spilled on the touch control area of the cooktop.
Locking Key	Cooktop can be 'locked' to block access to the cooktop. A safety feature to help prevent children from accessing cooktop functions.
Peripheral frame 	A modern decorative feature whilst maintaining a 'flush' appearance.
Heat Boost	Allows you to go directly to maximum power level (9) for a pre-determined period of time (approximately 7 minutes).
