

# POWERCLEAN FURGUARD™ | 4241

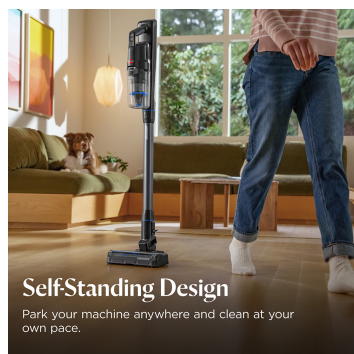

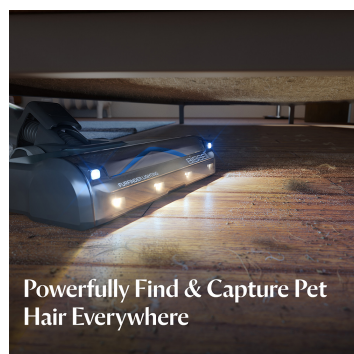

The BISSELL PowerClean FurGuard™ 280W cordless stick vacuum features a FurFinder™ Tool to powerfully remove up to 95% of embedded pet hair from upholstery. See 3X more pet fur with FurFinder™ Headlight Technology<sup>1</sup>, allowing you to find and pick up more fur. The 280W motor provides powerful cleaning on area rugs and hard surfaces. The HEPA Sealed Allergen System captures and contains dust and dander allergens from the air you breathe, and the Self-Clean Brush Roll prevents frustrating hair wrap.

- Up To 100 Minutes Run Time With Two Batteries<sup>2</sup>. Removable battery takes your cleaning power further, longer.
- Powerful Motor. Tackles stubborn pet hair, dirt and debris on area rugs and hard surfaces with 280W motor.
- Self-Clean Brushroll. Uses powerful suction to minimise hair wrap.
- No Pet Hair Left Behind. Powerfully find and capture pet hair everywhere.
- Keep Your Air Clean. Traps 99.97% of dust and dander allergens<sup>3</sup> so they don't release into the air.
- Clean Small Spaces. Get into corners and tight spaces with the Built-In Crevice Tool.

<sup>1</sup>on average versus Dyson Detect V15 by comparing images in a U.S. pet owner perception survey

<sup>2</sup>while using hand vacuum in Eco Mode

<sup>3</sup>tested per ASTM F1977 based on particles 0.3 microns and smaller

## PRODUCT SPECIFICATIONS
