

12kg capacity top load washing machine with easy to use controls, everyday fast wash programs and durable soft close glass lid.

RRP AUS \$1,649.00

Product Details

FEATURES

Fast wash programs

Wash options you really need

Inverter motor

The inverter motor delivers quieter operation, improvements in energy efficiency and improved durability, backed by a 10 year parts and labour inverter motor warranty ensuring peace of mind.

Delay end option to plan when your wash finishes

Gentle drum

BENEFITS

A cooler clean

The tiniest fingers might leave the biggest imprint on your heart but they won't on your clothes thanks to our PreMix+ technology. For a better wash at cooler temperatures, PreMix+ blends detergent with water and pressure sprays it onto the load to reduce detergent residue.

Call time on waiting

Let our handy time remaining display count down to the program finish, so you know when your wash will be done. If only bedtime was that easy.

Softly does it

Honey, you won't shrink the kids or any of your other favourite items with our gentle wash action a handwash equivalent for your delicates at the press of a button.

Ease your load

You won't need a background in IT to operate our easy use, easy clean, inclusive control panels. Because technology is supposed to make your life easier.

Help in a hurry

Whether it's a fast 20 minute wash because your favourite top needs a freshen up, a 45 minute mid-week daily wash or a Fullload 60 program after a muddy weekend of sport, our Fast Wash Programs mean you can get on with your day without delay.

Save water, choose Westinghouse

Our auto water level sensor conserves precious H₂O, automatically choosing the ideal water level for each wash. If only it could perfectly pour your Friday night wine, too.

Forgiving on fingers

Our soft closing child-safe lid means little fingers won't get a nasty surprise. Plus, our washing machines feature a child safe lid lock for added peace of mind.

Back to black

Our simple access easy clean lint filter means your leggings will stay black and not just become a grey fuzz magnet.

Fold on the go

Traditional whitegoods get an upgrade with our premium safety glass lid. Not only is it stylish and durable, it offers an extra laundry workspace thanks to the scratch resistant flat top.

Better results with a new gentler drum

Designed to treat your clothes with the care they deserve, the gentle drum has thousands of holes to enhance the water flow rate so that detergent dissolves faster. This improves effectiveness and ensures a deeper clean.

PRODUCT INFORMATION

The descriptors and illustrations in this publication apply to the specific products and models described as at the date of issue. Under our policy of continuous product development, product specifications may change without notice. Prospective purchasers should therefore check with their retailer to ensure this publication correctly describes the products that are being offered for sale. All information supplied is to be used for general reference purposes only and is on the understanding that Electrolux Home Products Pty Ltd (Australia) and Electrolux (NZ) Ltd (New Zealand) will not be liable for any loss, liability or damage of whatever kind arising as a result of reliance on such information. Colours of products illustrated are as close as printing limitations allow. Electrolux will at all times comply with its obligations pursuant to law including Trade Practices (Australian Consumer Law) Act and Regulations.

WARRANTY

This warranty only applies to Appliances purchased and used in Australia or New Zealand and used in normal domestic applications and is in addition to (and does not exclude, restrict, or modify in any way) any non-excludable statutory warranties in Australia or New Zealand. All warranties are subject to the conditions set out in the warranty card accompanying the product when purchased.
