

### Key Features

1. 210W Suction Power<sup>1</sup>
2. Up to 120 minutes Runtime<sup>2</sup>
3. Integrated Clean Station™ – Upgraded
4. 10 Year Motor Warranty<sup>3</sup>
5. Lightweight Design
6. 5-stage Filtration
7. Accessory Cradle
8. Telescopic Wand
9. Washable Dustbin
10. LCD Digital Display

1

#### Powerful cleaning performance

##### 210W Suction<sup>1</sup>

Designed to **help** effectively capture dust and hair on multiple-surfaces, the HexaJet Motor can generate up to 210W of suction<sup>1</sup>. Additionally, 9 Jet Cyclones and 27 air inlets help reduce suction loss and trap dust.

2

#### Cleaning that lasts

##### Up to 120 minutes Runtime<sup>2</sup>

No need to rush while vacuuming! A powerful battery maintains suction for up to 60 minutes<sup>4</sup> of uninterrupted cleaning. You can even double your cleaning time without recharging - simply replace the battery in use with a spare one and extend your cleaning time to up to 2 hours.

3

#### Stands, charges and empties the dust bin

##### Integrated Clean Station™

Clean from start to finish with the new Integrated Clean Station™. Air Pulse feature removes hair and up to 99.999% of fine dust<sup>5</sup> which is then trapped by the auto-closing dustbin, conveniently emptying the bin without getting your hands dirty or dust everywhere. It also stores and charges the stick vacuum, ready for use.

4

#### Digital Inverter Technology

##### 10 Year Motor Warranty<sup>3</sup>

Enjoy efficiency and long lasting performance. The HexaJet Motor's innovative design helps optimise airflow and is backed by a 10 years limited parts warranty<sup>3</sup> to give you peace of mind.

5

#### Clean every nook

##### Lightweight Design

Weighing at just 2.74kg, the lightweight, cordless design helps you move swiftly and comfortably while you clean hard-to-reach areas.

6

**Helps trap up to 99.999%<sup>6</sup> of dust<sup>7</sup>****5-stage Filtration**

With a five-layered filtration system, the BESPOKE Jet Plus Pro Stick Vacuum can trap up to 99.999%<sup>6</sup> of dust<sup>7</sup>, helping to prevent release back into the air.

**Portable and easy to store**

7a.

**Includes Accessory Cradle**

Neatly and conveniently store all your accessories and brushes in one place with an Accessory Cradle. It also includes a handle that makes it easy to store in a cupboard and take it where you need it.

**Standard tools include:**

7b.

**Jet Dual Brush & Spray Spinning Sweeper**

Vacuum almost any surface with the Jet Dual Brush's soft rollers and rubber bristles or mop hard floors with the Spray Spinning Sweeper. It even features a built-in water tank and reusable micro fiber pads.

**Additional accessories include:**

7c.

**Pet Tool +** - Optimised for picking up hairs that are thin and easy to miss.

**Combination Tool** – For use on upholstery and keyboards.

**Extension Crevice Tool** – Perfect for reaching into narrow crevices and nooks

**Flexible tool** – Designed to clean high areas such as on top of cabinets or shelves

**Ergonomic design**

8

**Telescopic Wand**

Vacuum more comfortably with the convenient, height-adjustable wand. With three options to choose from, set it to the most comfortable length that works for you and easily clean around the house.

**Easy maintenance**

9

**Washable Dustbin**

Cleaning your dustbin is quick and easy with all parts, including the multi-cyclone system, fully washable. Simply detach the dustbin from the hand-held body and tip its contents directly into the bin. You can then rinse all parts in water so its ready for use again.

**Check status at a glance**

10

**LCD Digital Display**

With a quick glance you can see suction level, remaining battery time<sup>8</sup> and how much the vacuum has been charged. It even alerts the user if there are blockages in the brush for easy maintenance.

1. Based on testing by SLG Prüf- und Zertifizierungs GmbH, in accordance with the IEC62885-4 CL5.8 standard. Measured at the inlet of the non-motorized tool when the dustbin is empty, using Jet Mode and a large capacity battery that is fully charged. Results may vary depending on actual usage.

2. The stated run time applies when using 2x high capacity batteries (2000mA) and the minimum power level with a non-motorized tool attached. Results may vary depending on actual usage.

3. See warranty Card or visit [www.samsung.com.au](http://www.samsung.com.au) for details on 10 year digital inverter motor parts warranty & 2 year battery warranty.

4. The stated run time applies when using a high capacity battery (2500mA) and the minimum power level with a non-motorized tool attached. Results may vary depending on actual usage.

5. Tested based on IEC 62885-2, CL5.11 by SLG Prüf- und Zertifizierungs GmbH. Results may vary depending on actual usage. Refers to particles in the size range of 0.5 to 4.2µm.

6. Based on testing by SLG Prüf- und Zertifizierungs GmbH, in accordance with the IEC 62885-2 CL5.8 standard, using Jet Mode. Results may vary depending on actual usage.

7. Refers to dust particles in the size range of 0.5 to 4.2µm.

8. The displayed time may differ from the actual usage time and is continuously updated every second. The usage time may shorten based on the number of uses.

SPECIFICATIONS	
Model Code	VS20B95973B
Material Code	VS20B95973B/SA
EAN Code	8806095339894
Launch Date	11/03/2024
GENERAL FEATURES	
Colour	Midnight Blue
HexaJet Motor	Yes
PHYSICAL SPECIFICATION	
Package Weight	16.6 kg
Package Dimensions (WxHxD)	412 x 374 x 931 mm
Product Weight	2.74
Product Dimensions (WxHxD)	250 x 1000 x 210 mm
Set + Station Weight	9.1 kg
Set + Station Dimensions (WxHxD)	300 x 1165 x 300 mm
PERFORMANCE	
Max Consumption Power	580 W
Max Suction Power	210 W
Run Time	Up to 120 min using 2x batteries (Stated run time applies to the minimum power level with a non-motorized tool attached using 2 batteries.)
Dust Collection Type	Multi Cyclone
Dustbin Capacity	0.5L
Noise Level	86 dBA
Display Type	LCD
BATTERY	
Battery Type	Li-ion
Voltage	25.2V
Charging Time	210 min
Detachable Battery	Yes (2 EA)
Charging Station	Integrated Clean Station™
BRUSHES INCLUDED	
Main	Jet Dual Brush
Additional (Other)	Spray Spinning Sweeper
ACCESSORIES INCLUDED	
Accessory 1	Pet Tool +
Accessory 2	Combination Tool
Accessory 3	Extension Crevice Tool
Accessory 4	Flexible Tool
Accessory 5	Accessory Cradle
CLEAN STATION DETAILS	
Consumption Power	1400 W
Dust Bag	3 EA
Dust Bag Capacity	2.0 L
Dimension (WxHxD)	300x850x300
Weight	6.4 kg
FILTER	
Exhaust	Fine Dust Filter
Pre-Motor	Yes
CONVENIENCE FEATURE	
Washable Dustbin	Yes
Telescopic Wand	Yes

### Customer Service

 1300 362 603

24 hours a day / 7 days a week

Online Chat, Email or Phone support;  
[samsung.com/au/support](https://samsung.com/au/support)

### Peace of Mind

We offer 10 years parts warranty on the digital inverter compressor and 2 years warranty on the battery that powers this vacuum\*

\*See warranty Card or visit [www.samsung.com.au](https://www.samsung.com.au) for details.
