

FULLY AUTOMATIC ESPRESSO COFFEE MAKERS

ESAM 5500.T

PERFECTA cappuccino

Patented "Automatic Cappuccino": place the cup under the nozzle and press the Cappuccino button. You'll get a perfect Cappuccino!

Very simple to use, thanks to the display with icons showing the selected quantity of ground coffee and water, the missing water and the descaling cycle

Practical cup warming plate, to keep your coffee cups warm, just like at the bar.

Press the cleaning button and the machine will perform an automatic washing cycle.

The container with the AUTOCAPPUCCINO device is highly practical, as milk can be stored in the refrigerator when not in use.

ESAM 5500.T

- Patented Autocappuccino System: get your perfect Cappuccino simply by pressing a button
