FEATURES

TOTAL FROST FREE

MULTI AIR FLOW

ELECTRONIC CONTROL

HUMIDITY CONTROL
CRISPER

REVERSIBLE DOOR

INTERIOR LED LIGHT

Frost Free | The CHiQ Frost Free feature maintains the correct internal temperature for more effective food preservation meaning there is no need to manually defrost the unit.

Multi Air Flow | The system ensures chilled air reaches each shelf quickly and uniformly to ensure the food will stay fresher for longer.

Electronic Control | You can use digital display to adjust temperature, to meet your different temperature requests.

Humidity Control Crisper | You can adjust the integrated humidity control slider to low setting which allows fruit to stay fresh for longer or you can adjust the setting to high which helps leafy vegetables to stay crisp for longer.

Reversible Door | This item comes as Right Hand Door opening. The design allows you to change to Left Hand Door opening if that best suits your needs. The installation kit to change the door is included.

Interior LED Light | LED lights are energy efficient and reduce heat output and provide lighting for a better internal view of your contents.
