- Child care function
- Digital function selector
- Removable door
- Cavity cooling system
- Under-bench or wall oven installation
- Manufactured in 18/10 grade stainless steel
- Rotisserie
- Made in Italy

### FAN FORCED COOKING

For the ultimate roast or perfect batch of pastries. The element surrounding the fan delivers even heat for even cooking results, approx. 160°C - 180°C is recommended

### FAN GRILL

This function is perfect for grilling foods such as fish, without the need for turning. The door must be left closed whilst grilling and browning will occur from the top element.

### FULL GRILL STATIC

Full grill is the perfect option for quick grilling. Toast your favourite meals or finish off the tops of your recipes.

### CONVENTIONAL

This conventional cooking method involves a gentle heat from the lower and upper elements for long slow cooking. This function is perfect for cakes, casseroles and slow roasts.

### TOP ELEMENT ONLY

This function uses the top element only. Ideal for browning the top of food.

### BOTTOM ELEMENT

This function uses the bottom element only. Ideal for browning the bottom of food.

### DEFROST

In defrost mode, no heating elements are used. Only the fan is activated to circulate air inside the oven for defrosting and not cooking the food.

### PIZZA COOKING

This function allows you to be creative and cook your favourite topping pizza's in the comfort of your home. It can also be used to cook and roast vegetables.

### INSTALLATION:

Oven requires 15 amps and need a dedicated circuit from the socket to the main switchboard.

For all installation please refer qualified technician to our product manual.

### POWER CONSUMPTION:

230-240v - 50hz - 3300-3800W

### GROSS / NET WEIGHT:

58.0kg / 52.5kg

### OVEN VOLUME CAPACITY:

125L (gross) / 105L (net)

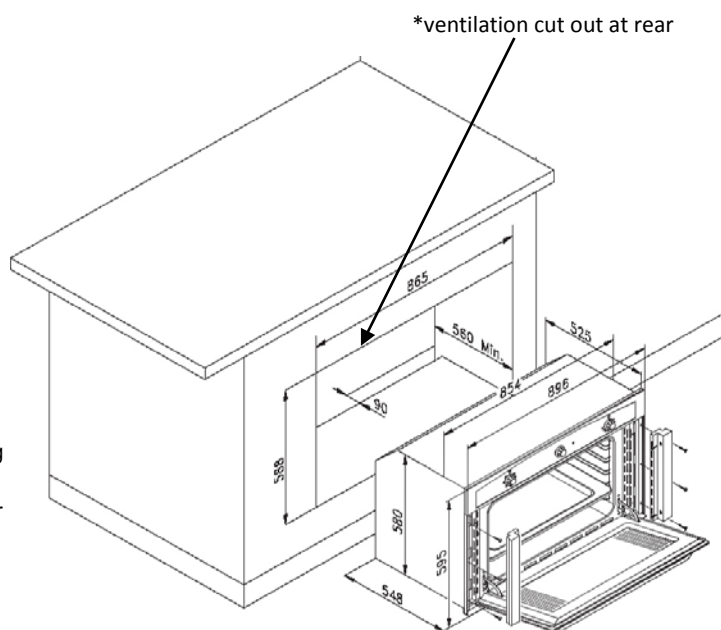

### CAVITY COOLING SYSTEM

This oven has a contained cavity cooling system with internal cooling fan. This ensures control knobs are cool and protects surrounding cupboards. The cooling system also provides flow through oven door cooling.

### CLEANING AND MAINTENANCE

Easy clean **AAA** grade enamel interior. No abrasives, corrosive detergents, bleaches or acids not required for cleaning the oven.

### PRODUCT DIMENSIONS

\*For wall installation please refer to product manual
