LAURASTAR 

LAURASTAR S4^a

 **SWISS** TECHNOLOGY | DESIGN

KEY FEATURES

Immediate use: super fast heating time in just three minutes. Set up and stored away in an instant with its patented foldable system.

Ergonomic: 6 height adjustment settings and a wide ironing surface tapering to a narrow point, ideal for any type of clothing.

Continuous ironing: removable water tank with a 1.2L capacity and built-in anti-limescale filter, allowing tap water to be used.

Auto stop function: the iron turns off automatically after 15 minutes of non-use for enhanced safety and energy efficiency.

Safety storage box to store safely the iron while it is still warm.

Easy to move around with its two pairs of integrated wheels.

Easy to store away: folds away to a compact 20 cm.
