BENEFITS

Grill separately for smooth entertaining The separate grilling compartment on selected models means you can entertain guests and cook big family meals with absolute ease and without compromising on precious oven space.	Set for 2 hours and it will ring The mechanical timer keeps track of your cooking time for 2 hours with a ringer to let you know you are ready to restart the timer or finish your dish.
Clean your shelf supports with ease When it comes to cleaning your oven we want it to be fuss free, given the design of our shelf supports you can clean the sides of your oven with ease as there are no racks to be removed.	Bring out the flavour with high heat Whip up tasty stir-fries and more with our high-powered wok burner. You'll get the high heat you need with 14 MJ/h of power at its highest setting.
Family safety first Our cast iron trivets flat design ensure the base of your pots and pans are fully supported, allowing you to have a safe and stable cooking environment.	Built in Australia Westinghouse, has been the heart of the home for generations and the kitchen appliance brand we have always known and trusted to build reliable products. This oven is built in a local factory in Adelaide.
