

CLOUDESLEY MEDIUM CHANDELIER

Installation Guide

! Please handle with care and wear gloves at all times during assembly and installation to avoid damaging components.

TECHNICAL

Bulb Holder
240v - 7 x E27,
120v - 7 x E26
(no bulbs supplied)

Wattage
60w max (or 8w LED 2700k)

Weight
18kg (39.7lbs)

PARTS & COMPONENTS

- A. 1 x Mounting plate
- B. 1 x Ceiling rose cover with drop rod
- C. 7 x 300mm glass shade
- D. 1 x CLoudesley Medium body

A.

B.

C.

D.

- All nuts and bolts required for the installation will be included in the delivery.

BEFORE INSTALLATION

- Check that you have all components before starting the installation.
 - Installation must be carried out by a qualified electrician.
 - A minimum of two people is required to install a pendant light.
- Check that the ceiling or wall fixings are suitable and strong enough to support the weight of the light fixture.
 - You will need the below specific tools for a successful installation.

HEIGHT ADJUSTMENT INSTRUCTIONS

Before attaching the drop rod to the body of the light, calculate the required total drop from ceiling to bottom of pendant. If any height adjustment is required, follow the steps below:

1. Separate the brass tube and the internal threaded tube from the ceiling rose cover by unscrewing the bolt.

2. Measure the length the drop rod needs to be.
3. Cut the brass tube to this length using a hacksaw or similar tool.
4. Cut the same length from the internal threaded tube.

NOTE: Internal threaded tube must always be longer than the brass tube.

5. Once the brass tube and internal threaded tube are cut to correct lengths, slide the brass tube over the internal threaded tube and attach them back to the ceiling rose cover by using components provided.

6. Once satisfied with the fit, secure bolts and all-thread with Loc-tite or similar adhesive.

1. Fix the mounting plate to the ceiling. Ensure that suitable screws are being used for the surface that you are mounting to (not supplied).

1. 120v
US Fix the mounting plate to the junction box using suitable screws (not supplied).

2. Feed the power cable from the drop rod into the ceiling rose cover.

Screw the drop rod to the central hub of the pendant.

Note: The drop rod should be tightened into the hub using a spanner to ensure there is no play between the parts.

- 3.** Raise the pendant and make the electrical connections.

Bring the ceiling rose cover up to the mounted plate and secure using provided screws.

- 3.** 120V
US

Raise the pendant and make the electrical connections inside the junction box ensuring all wires are colour matched and the pendant is earthed correctly.

Bring the ceiling rose cover up to the mounted plate and secure using provided screws.

- 4.** Fit the bulbs (not supplied) to the lamp-holder.

5. Fit the glass shades to the pendant body.

Start with the outer shades first work into the middle.

Remove the P-Clip around the rod and discard. Feed the glass shade over the bulb.

Using a flat headed screwdriver, tighten the 3 screws around the neck of the glass shade. Do not over tighten, make sure the glass is secured.

Make sure the shade cover is correctly located.

MAINTENANCE

Cleaning

Dust using a dry lint-free cloth weekly or as required
