60CM Multifunction Smart Clean Oven

Whirlpool®

FEATURES & BENEFITS

SMART CLEAN

The action of the steam released during this special low-temperature cleaning cycle allows dirt and food residues to be removed with ease. Pour 200ml of drinking water on the bottom of the oven and use the function for 35 minutes at 90°C. Activate the function when the oven is cold and let it cool down for 15 minutes once the cycle ends.

COOK 3

5 shelf positions and a highly advanced airflow distribution system allows you to simultaneously prepare up to 3 separate dishes in the oven's large cavity without the smells and flavours mixing.

FAN FORCED AIR COOKING SYSTEM

A quick and easy cooking method that doesn't require pre-heating. The fan distributes hot air evenly to all parts of the oven and even allows you to cook different foods simultaneously without mixing taste or smell.

FAN ASSIST CONVECTION BAKE

Facilitates the rising of doughs and batters by employing fan assisted heat from both the top and bottom elements of the oven for perfectly baked goods.

TECHNICAL SPECIFICATIONS

MAIN COLOUR FINISH	Finger Resistant Stainless Steel
PRODUCT DIMENSIONS	W 595mm x H 595mm x D 564mm
PACKAGE DIMENSIONS	W 630mm x H 650mm x D 690mm
CAPACITY	73L
DISPLAY	Mechanical & Electronic
COOKING LEVELS	5
FUNCTIONS (8)	Grill Turbo Grill Forced Air Lower Heating Convection Bake Conventional Defrost Pizza
THERMOSTAT	Mechanical
INSTALLATION	Built-In
CLEANING	Hyrdolytic/Smart Clean Tilt Down Grill
ACCESSORIES	Wire Shelf Baking Tray Telescopic Runners (pair)
POWER	220-240v 50-60Hz
GROSS WEIGHT	32kg
WARRANTY	5 years parts and labour
COUNTRY OF ORIGIN	Italy
