1 x Meat probe
1 x Stainless steel kickplate

Optional accessories GTP - Partial telescopic guides
GTT - Total telescopic guides
KITROT9 - Rotisserie kit

Power 220-240V, 50/60Hz
4200W
19A

Warranty Two years parts and labour

THERMOSEAL

The seal of Smeg's quality, technical excellence and taste: succulent roasts, crisp pastry and impressive baking is achieved in Smeg's unique, perfectly controlled cooking environment. Thermoseal maintains the perfect atmospheric balance in the cavity for optimum cooking conditions.

PYROLYTIC CLEANING

Smeg's pyrolytic cycle locks the door and heats the oven to around 500°C. This process carbonises any food residue or burnt-on grease to a small amount of ash, which can be simply wiped away with a damp cloth. Smeg also has Eco Pyro - the low energy option.

EVER CLEAN ENAMEL

The superior quality of Smeg's patented Ever Clean enamel, which is highly durable and easy to clean, is the result of nearly 70 years of enameling expertise; ensuring long-life performance of every Smeg oven.

Gas hob

Capacity

6 burners
Front left (wok) 15.2 mj/hr
Rear left 3.6 mj/hr
Front centre 3.6 mj/hr
Rear centre 6.5 mj/hr
Front right 6.5 mj/hr
Rear right 10.8 mj/hr

Gas input

Set for natural gas, regulator supplied, adapt for ULPG, no regulator required
