

# DUALIT 2 SLICE ARCHITECT TOASTER – BRUSHED FINISH

## PRODUCT SPECIFICATIONS

### ARCHITECT TOASTER

Dualit's Architect toasters combine ergonomics and aesthetics in a brand new way. Now featuring patented Perfect Toast Technology, which calculates the optimum toasting time for consistently golden brown toast. With our trademark longevity and functionality, you'll be toasting what you like, how you like it.

### KEY FEATURES

#### Hand built in the UK:

Each toaster is hand-assembled from start to finish. Who made your toaster? Find the assembler's name on the base plate

#### Environmentally responsible:

Fully repairable or replaceable parts for a toaster that will last a lifetime

#### Unique patented ProHeat® elements:

Exclusive to Dualit, ProHeat elements have a protective armour plated layer covering the filament making them virtually unbreakable

### SPECIFICATIONS

#### Power:

1.2kW

#### Capacity

2 slices

#### Slices per hour

60 slices

#### Features

Peek & Pop

Defrost function

Bagel function

#### Dimensions (WxDxH cm)

29 x 17 x 21 cm

#### Weight:

2Kg

#### Commercial grade elements:

This is a pop-up toaster with elements that work hard enough to keep up in a commercial kitchen

#### Pure geometric lines:

This toaster's form is mathematically harmonious - it echoes the fact that geometry is vital to design and build.

#### Extra wide slots:

For chunky bread and more – combine with our sandwich cage accessory and no job is too tough

#### Bagel and bun warming facility:

Allows you to crisp just the insides of your bagel or bun

#### Defrost function:

A better crunch as you won't need to rely on toasting straight from frozen
