

60cm double oven with SteamBake, 16/7 oven functions, AirFry Plus, pyrolytic self-cleaning, TFT touchscreen and included food probe and telescopic runners

Product Details

FEATURES

SteamBake

A touch of steam for crisper crusts with our inbuilt well

Food probe

Smart food probe monitors the core temperature of food to keep meat succulent and juicy.

AirFryPlus

AirFry +Steam for crispy and juicy results

Pyrolytic self cleaning

46 assisted cooking programs

Telescopic runners

Baste during cooking and slide trays in and out of the oven with easy access telescopic runners.

Soft close door

BENEFITS

A TOUCH OF STEAM: THE SECRET TO PERFECT BAKING

Add a touch of steam for artisan style results at home. Add water to our inbuilt well to create steam for golden crusts and soft, airy centres, ideal for bread, pastries, and delicate bakes. Because perfect texture starts with perfect moisture.

PRECISE COOKING, GREAT RESULTS

The smart food probe monitors the core temperature of your food, while precise sensors alert you when the dish is ready, and stop the oven automatically so the roast stays juicy, just the way you like it.

AIRFRY MEETS STEAM

Get the best of both worlds, crispy on the outside, tender on the inside. By adding steam to AirFry, keep your drumsticks, chops or crumbed fish juicy whilst achieving that irresistible crunch.

AN OVEN THAT CLEANS ITSELF

Pyrolytic cleaning heats the oven to a high temperature, turning grease and grime to ash. Just wipe clean afterwards no water or chemicals needed. The multi-layer glass door stays cooler to touch for complete safety.

ASSISTED COOKING

The intuitive full-colour touch display provides a range of assisted cooking functions to help you achieve delicious results every time. Use automatic settings for ideal roasting, reheating or dough proving, or use the step by step guides for Bread and Pizzas, Meat and Fish or Vegetables.

ACCESS ALL AREAS WITH EASE

Telescopic runners make it easy for you to slide trays in and out of the oven. This provides safe, effortless access, making it easier to baste during cooking or check on how a dish is coming along. The runners also make light work of lifting and removing hot trays or heavy dishes.

Terms and Conditions

IMPORTANT

This is a guide of product dimensions only. For complete installation instructions, refer to the manual provided with product.

PRODUCT INFORMATION

The descriptors and illustrations in this publication apply to the specific products and models described as at the date of issue. Under our policy of continuous product development, product specifications may change without notice. Prospective purchasers should therefore check with their retailer to ensure this publication correctly describes the products that are being offered for sale. All information supplied is to be used for general reference purposes only and is on the understanding that Electrolux Home Products Pty Ltd (Australia) and Electrolux (NZ) Ltd (New Zealand) will not be liable for any loss, liability or damage of whatever kind arising as a result of reliance on such information. Colours of products illustrated are as close as printing limitations allow. Electrolux will at all times comply with its obligations pursuant to law including Trade Practices (Australian Consumer Law) Act and Regulations.

WARRANTY

This warranty only applies to Appliances purchased and used in Australia or New Zealand and used in normal domestic applications and is in addition to (and does not exclude, restrict, or modify in any way) any non-excludable statutory warranties in Australia or New Zealand. All warranties are subject to the conditions set out in the warranty card accompanying the product when purchased.
