

Allergy friendly vacuums with HEPA 14 Filtration

The Nilfisk Elite is the perfect vacuum cleaner for every home. Five year warranty, powerful suction, 3.1 L dust bag and an anti-burst system make this HEPA 14 vacuum a valued member of your family.

In Australia, allergies are becoming more and more common. At Nilfisk, that is something we have taken to heart. With the Nilfisk Elite our world class HEPA 14 filter and vacuum cleaner are completely sealed so that contaminated air is never released.

A vacuum cleaner with great HEPA filtration is a good investment for your home and essential for protecting your family from airborne allergens. The Nilfisk Elite range of vacuums are durable, powerful, quiet, have a five year warranty and even come with a remote control!

- High dust pickup: A strong motor and a well-designed construction result in market leading dust pick up
- Allergy filtration: Ultra dust bag, airtight construction, and HEPA H14 filter stops even the tiniest particles, animal hairs, dust mites, and their droppings. All Nilfisk Elite models feature this as standard
- Probably the best filtration in the world for household vacuum cleaners
- Endorsed by the British Allergy Foundation
- Energy saving – with an Energy Class ‘A+’ or ‘A++’ Handle with remote control ensures on/off and adjustment of suction level directly at the handle
- Silent: down to 68 dB(A) is very low for household vacuum cleaners
- 5 years guarantee: The machine is built to last
