

C6GVXA8

smeg 60cm gas/gas upright cooker

STATIC GRILL

Radiant heat is directed straight onto the top of your food. Use this function for toast, cheese melts, focaccia etc. Oven door must be closed while grilling.

FAN GRILL

High power full-width grilling producing succulent grilled meat, chicken or fish, while at the same time baking vegetables & dessert below. Also great for chips. The oven door must be closed while grilling.

FAN ASSISTED GAS

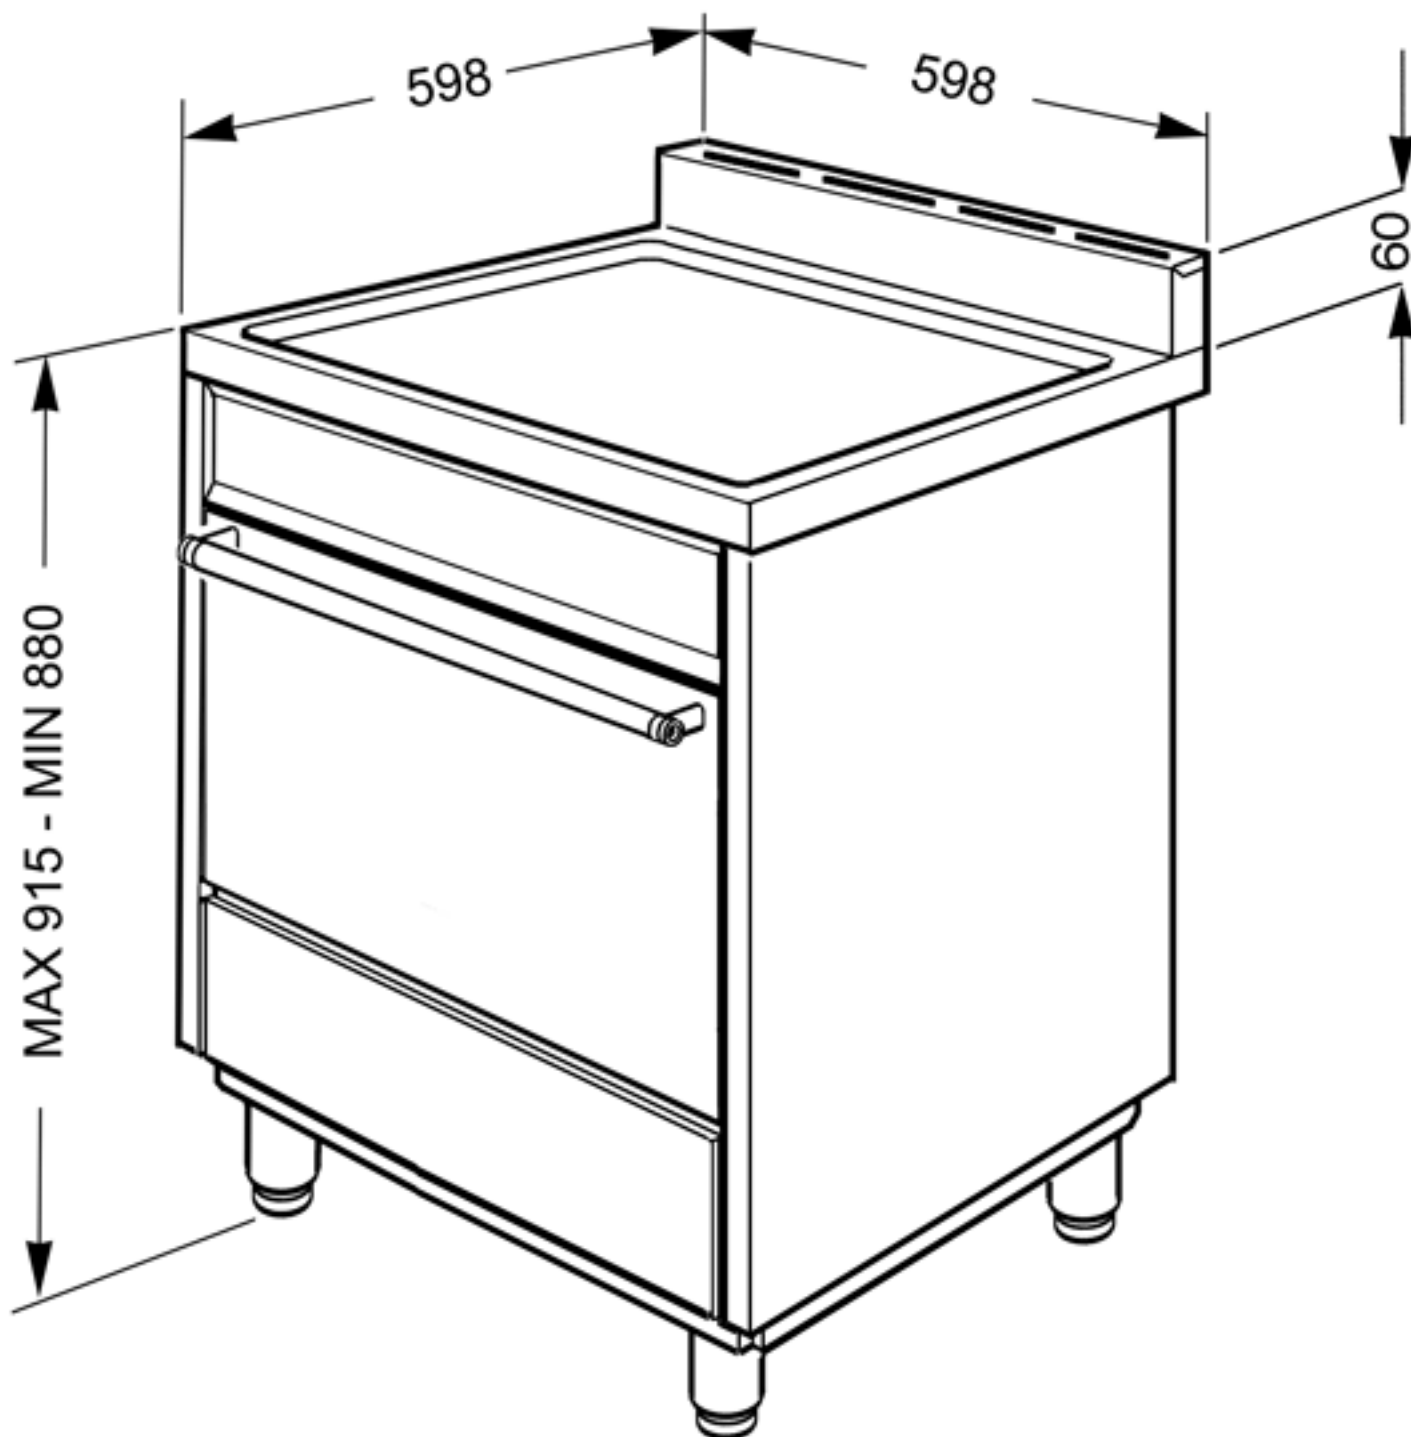

DEFROST

Defrost your frozen food without changing the appearance or character of the food with this fan assisted function. Choose length of defrost time by weight or time.
