

PROGLOSS STEAMCARE

CERAMIC STRAIGHTENER

Keep your hair hydrated, whilst creating silky-smooth hairstyles with the Revamp Progloss Steamcare Hair Straightener. This advanced hair straightener is built with a slim steam chamber, to produce a continuous flow of steam, to lock in your hair's natural moisture and prevent over-drying. Ensure long-lasting results, with an ultra-smooth finish. Customise your styling experience, with adjustable temperature settings from 150°C to 230°C. Whether you want to straighten your strands or create bouncy curls, the sleek design of this hair straightener allows you to effortlessly create a variety of styles. Featuring a removable water tank for easy refill. Includes silicone heat-resistant mat.
