

Arlo Go Mobile HD Security Camera

No WiFi. No Worries.

The Arlo Go Mobile Security Camera is ideal for security monitoring when travelling or in areas with limited or no WiFi access. Arlo Go works anywhere in Telstra's 4GX mobile network. This allows you to keep an eye on holiday homes, caravans, or your cabin from anywhere, even far away from the nearest power outlet or WiFi connection. Get instant alerts if motion or sound is detected using the free Arlo app and watch live or recorded videos from your computer, smartphone, tablet or your TV. With Arlo, it's incredibly easy to view, download and share cloud recordings. Additionally, the micro SD card port provides local video recording in case of Internet interruptions.

Features

100% Wire-Free

Free of power cords and wiring hassles

Weather-resistant

Put Arlo anywhere—indoors or out

2-Way Audio

Listen in or talk back and forth

Cloud Recording

View, download, & share cloud recordings

Night Vision

See what's happening even in the dark

Mobile Connectivity

Works on Telstra's 4GX high speed mobile network

SD Card Slot

For local recording & backup in case of Internet interruptions

Mobile Alerts

Instant alerts when motion or sound is detected

Live Streaming

Watch live streamed or recorded videos using free Arlo app

HD Quality

Enjoy incredibly sharp, detailed video

Arlo Go Mobile HD Security Camera

Consumer Ideal Uses

Hotels, holiday homes, campers, caravans, or trailers

Keep an eye on what matters most when you're not around, even when you're on the road.

Holiday rental monitoring

Monitor your holiday home or rental property.

Boats, docks and marinas

Monitor the area in and around your boat and get email alerts or notifications when motion or sound is detected.

Farms and stables

Keep an eye on your farm or monitor for intruders even at night. Monitor feed & water troughs to make sure they are full.

Birdwatching and wildlife

You don't have to be in the forest to enjoy watching wildlife. You can see the outdoors from the comfort of your home.

Family & loved ones

Keep an eye on the safety and well being of your loved ones and their property, even in places where WiFi access is limited

Small Medium Business Ideal Uses

Business Security

Set up a security monitoring system for your business anywhere you operate, or check in on your business any time of the day.

Warehouses and parking lots

Monitor warehouses and deter unauthorized access around your business.

Workplace security

Keep an eye on employees or monitor your equipment even without WiFi coverage onsite.

Arlo Go Mobile HD Security Camera

Arlo® Go Mobile Security Camera is the ideal 100% wire-free video monitoring solution when travelling in areas with limited or no WiFi access. Arlo Go connects to Telstra's 4GX mobile network, providing you with peace of mind when travelling at hotels, holiday homes or even outdoors. The included outdoor mount provides 360 degree swivel and 90 degrees of tilt.
