Drinks Chiller With Single Glass Door

Features & Benefits:

Warranty Period	3 Year Manufacturer Warranty
Lockable Doors	Provides improved security to the contents of your fridge
Pressure Injected Foam Insulation	Makes cooling the fridge more effective and energy efficient
Interior LED Lights	Provides clear visibility and can be easily controlled by an on/off switch
Auto Defrost	Makes maintaining the fridge much easier, as you don't have to do a manual defrost cycle. The fridge also comes with self-evaporating drip tray
Digital Temperature Display	Makes controlling the temperature within the Drinks Chiller super easy. The internal temperature can be adjusted between 0°C – 10°C
Adjustable Feet	Allows for level positioning on uneven floors. The height of the unit can also be modified slightly to make the unit fit seamlessly into cabinetry
Double Glazed Glass Doors and pressure injected foam insulation	Provides improved insulation leading to improved cooling and energy efficiency
