Cut-out dimensions (mm):	750w x 490h

INDUCTION

CHILD LOCK

Key features	Benefits
Smart pause	Have the option to place your zone on pause so you can attend other matters.
Child lock	Child lock allows you to lock the control panel or door so the settings cannot be changed or the door cannot be opened.
78cm size	Fantastic for large families of those who entertain often.

NB: Drawings are not to scale - they are to assist only. WARNING: technical specifications and product sizes can be varied by the manufacturer without notice. Cut-outs for appliances should only be by physical product measurements. The above information is indicative only.
