

CLEANVIEW

MULTI CYCLONIC BAGLESS CANISTER VACUUM

The BISSELL Cleanview canister vacuum features multi-cyclonic technology that gives you continuous, powerful suction across both carpets and hard floors. The compact design makes it easy to store and the lightweight design and swivel steering make manoeuvring around furniture and between rooms a snap. The Easy Empty™ Dirt Tank provides for bottom emptying to keep dirt off your hands. The included tools and telescopic wand let you clean those hard-to-reach areas of your home with ease.

- Combination Floor Tool will easily go from cleaning carpet to hard floor with a flip of a switch.
- Multi-Cyclonic technology provides continuous, powerful suction for a through clean.
- Easy Empty™ dirt tank designed for easy and touchless dirt disposal.
- Lightweight, compact design and swivel steering for easy manoeuvrability.
- Included:
 - Dusting Brush
 - Upholstery Tool
 - Combination Floor Tool
