ARTISAN® DIAMOND BLENDER

EXCLUSIVE DIAMOND BLENDING SYSTEM The patented stainless steel blades and diamond-shaped jug create a powerful vortex to deliver superior blending performance for everyday use.

1.75L ONE-PIECE BPA-FREE PLASTIC JUG Shatter, scratch and stain resistant and is dishwasher safe.

DIE-CAST METAL BASE Robust, stable and built to last.

POWERFUL MOTOR WITH INTELLI-SPEED™ CONTROL

Load sensing technology adjusts the power from the motor to maintain selected speed.

SOFT START™ FEATURE Starts the motor at a slower speed to draw ingredients into the blades for thorough blending.

STAINLESS STEEL BLADE Positioned on four different planes for fast, thorough blending.

STEEL REINFORCED COUPLER Durable and reliable.

4 SPEEDS Chop, Mix, Puree and Liquify.

PULSE MODE Can be used on all speeds giving greater control over texture and results.

CRUSH ICE MODE Automatically pulses at precise intervals for optimal ice crushing in seconds. Also great for making breadcrumbs.

SPECIAL HOT FOODS MODE Starts at a slow speed then increases speed to avoid splashing of hot liquids.

CLEAN TOUCH™ CONTROL PAD WITH SMART SYMBOLS Wipes clean easily.

STAY-PUT LID WITH INGREDIENT CUP Perfect for measuring liquids.
