

SFA6304X2

60CM CLASSIC THERMOSEAL OVEN

EAN 8017709250591

Dimensions	597mmW x 592mmH x 571mmD
Finish	Fingerprint proof stainless steel Eclipse high visibility black glass
Total functions	9 incl. defrost
Auto menus	no
Display	Text on panel
Capacity	79L
Cooking levels	5
Thermostat	50 - 250°C
Installation	Built-in
Programmability	End of cooking alarm, minute minder
Cleaning	Vapour Clean
Lighting	1 x 40W halogen
Supplied accessories	1 x Chrome grill insert 2 x Chrome shelves 1 x 20mm enamelled baking tray 1 x 40mm enamelled baking tray
Optional accessories	PRTX - Pizza Stone PPR2 - Gourmet Cooking Stone PALPZ - Single-handle pizza paddle 38508/510 - Baking Dish GT1P-2 - Partial telescopic guides GT1T-2 - Total telescopic guides
Safety	Cool Door technology, thermal protection system
Power	220-240V, 50/60Hz 3000W 15A Connection
Warranty	Two years parts and labour

THERMOSEAL

The seal of Smeg's quality, technical excellence and taste: succulent roasts, crisp pastry and impressive baking is achieved in Smeg's unique, perfectly controlled cooking environment. Thermoseal maintains the perfect atmospheric balance in the cavity for optimum cooking conditions.

VAPOUR CLEAN

Smeg's Ever Clean enamel's tough surface has a glassy finish, so a simple spray of water and detergent around the cavity in conjunction with the Vapour Clean option will generate heat and steam to soften any grease for a wipe-clean result.

EVER CLEAN ENAMEL

The superior quality of Smeg's patented Ever Clean enamel, which is highly durable and easy to clean, is the result of nearly 70 years of enameling expertise; ensuring long-life performance of every Smeg oven.

COOL DOOR TECHNOLOGY

Smeg's Cool Door system is a combination of technologies which is driven by a 22 blade tangential fan and includes a heat exchange baffle system. It draws cool air up through the panes of heat-reflective glass in the door, making it safe to the touch even when the oven is at pyrolytic temperatures of around 500°C.
