

COMPACT 4 STAGE AIR PURIFIER

Your solution for a cleaner, healthier indoor climate

WINIX AUSTRALIA: Australia's most recommended air purifiers

The small-size, light-weight **Winix Compact 4 Stage air purifier** is the perfect portable solution for comprehensive clean air wherever you are in your home or workplace. Featuring 4 Stages of air purification with PlasmaWave® technology, reactive Smart Sensor, Smart Air Quality Display, Auto and Sleep Modes with 3 Fan Speeds and 360° all-in-one Hospital Grade True HEPA filtration. The most complete, compact air purifier at an affordable price.

features

- **4 stages of air filtration**
- Optimum room size up to 29.5 m²
- 360° All-In-One Australian Hospital-grade True HEPA filter (99.97% of particles @ 0.3 microns)
- PlasmaWave® technology: neutralises viruses (flu virus), bacteria, odours, VOCs (chemical vapours and harmful gases) without producing harmful ozone*
- Activated carbon filter: reduces VOCs and offensive household odours relating to cooking, pets and smoke
- 3 fan speeds with 'set & forget' auto mode
- Smart Sensor: monitors and reactively adjusts to airborne contaminants
- Smart Air quality LED colour display (red/amber/blue)
- Sleep mode: dims the lights and operates in quiet mode
- High energy efficiency: up to 6x more efficient than a typical 60w household light bulb
- **Winix Australia 2 year replacement warranty**

*In tests by an independent laboratory Winix 'PlasmaWave®' Air Purifiers produced 3 parts per billion ozone - a nearly undetectable level that is substantially lower than the FDA's allowable level of 50 parts per billion.

Model Information

Product Name	Winix Australia Compact 4-Stage Air Purifier
Model Number	AUS-0850AAPU
Optimum Room Size	29.5 m ²
Replacement Filters	Value Pack: GQ (360° All-In-One Fine Mesh Pre-Filter, True HEPA & Activated Carbon Filter Pack)

Technical Specifications

Unit Dimensions (mm)	241 (w) x 241 (d) x 371 (h)
Unit Weight	3.1 kg
Power Consumption Range (min-max)	10.1w - 55w
Noise Level (sleep-mode/low/med/high)	26.2 dBA / 37.2 dBA / 43 dBA / 52.3 dBA

Warranty Information

Replacement Warranty	2 years

Activated Carbon Filter VOC Air Quality Testing	✓ (Captures up to 99.9% of airborne VOCs within 2 hours)
PlasmaWave® Technology Testing Certification	✓ (Neutralises 99.6% of the influenza virus within 1 hour)
ERAC (Australian Electrical Safety Standards)	✓
QEC Global (Australian Electrical Safety Compliance)	✓

WINIX True HEPA air-purifier micron scale

not all air-purifiers are created equal

WINIX's Australia-certified air purifiers effectively remove particles as small as **0.3 microns (µm)** with **99.97% efficiency**; the Australian standard for 'Hospital-Grade True HEPA Filtration'.

All Ausclimate model-types undergo stringent, comprehensive legislative and regulatory testing by independent government accredited bodies to ensure our products meet the highest Australian industry standards possible.
