BENEFITS

Tastier baking starts with steam Take your baking to the next level with our EasyBake +Steam function. Steam helps you get a better rise, crispier crust, a fluffier centre and tastier textures for all your bread, pastries, cakes, and puddings.	AirFry for that perfect, healthy crunch When a food craving hits, make healthier and delicious food right in your oven. Deliver all the flavour and none of the guilt. AirFry allows you to make healthier, tasty meals for the entire family right in your oven.
Ovens that clean up after themselves Even cleaning up is easier with Westinghouse. Choose a PyroClean oven and with the press of a button you can keep your oven shiny and clean. The oven turns on to an extremely high temperature, turning grease and grime into ash. All you need to do is simply wipe the residue away. No nasty chemicals, no greasy mess just a sparkling clean oven with minimal effort.	Cleaning is a breeze with steam A 30 minute light oven clean. Just add water, vinegar and detergent, turn on the steam cycle and wait until the grime is softened and loosened. Grab a cloth and wipe. Your oven is clean again. Easy

Twin fan system for even cooking

Cook each dish to perfection with the Twin Fan System. Fans rotate in opposite directions, distributing heat evenly throughout the oven, so you enjoy great results every time.

A hotter wok helps bring out the flavour

Use high heat to lock in the flavor of your dishes. With durable brass caps and 19 MJ/h you can bring your wok to high heat with even flame distribution. Spice up your cooking and spice up your life.

Boil to simmer in an instant

For precision control cooking all your favourite recipes, our smart Dual Valve flame control lets you go from boil to simmer in an instant.

Designed for ease and safety

Telescopic runners are another piece of thoughtful design that makes it easy to draw racks out and safely check on your dishes during cooking.

Built in Australia

Westinghouse, has been the heart of the home for generations and the kitchen appliance brand we have always known and trusted to build reliable products. This oven is built in a local factory in Adelaide.
