BENEFITS

Gas BOSS™ oven

This model features a Westinghouse BOSS™ oven with a huge 80 litre gross capacity. The BOSS™ system is extremely quiet and has low heat emissions.

Separate grill

The separate grill offers greater flexibility as you can grill and bake simultaneously, which is great when you are entertaining. Separate oven and grill mean odours don't transfer between foods.

Easy cleaning

Easy to maintain fingerprint-resistant stainless steel models and glass touch clock controls, make your Westinghouse oven easy to clean.

Anti-spatter grill inserts

Anti-spatter grill inserts provide a safer and more convenient way to grill ensuring cooking fats drain away from food for healthier cooking.

Programmable timer

The programmable timer gives the ability to plan your start and finish cooking time to the minute.
