EAN-Nr.	4016803135678

¹ In accordance with Regulation EU 2019/2016 we indicate the total volume to the nearest integer (rounded off) and the volume of the frozen compartments and refrigeration compartments to one place after the decimal point.

Features

SuperCool

The automatic SuperCool function lowers the refrigerator temperature down to as far as +2 °C for as long as 12 hours - ideal for rapidly cooling freshly stored food.

Door alarm

The audible door alarm alerts the user if the door has been open for longer than 60 seconds for safe protection of the food.

VarioBase

The VarioBase permits the adjustment of kitchen units in height and depth. All four height-adjustable feet permit adjustment from the front with a 60 mm range. In addition, the ventilation grille can be adjusted within a range of 55 mm to match the front of the kitchen units.
