

Operating Instructions for your ironing board

Opening

Support the ironing board in the vertical position and lift the release lever. Allow the top leg to drop to the floor while lowering the board until horizontal.

Adjusting the height

To increase the height of the board, lift the release lever slightly and pull the board upward to the desired height setting. To lower the height, lift the release lever slightly and gently push downwards on the board until the desired height setting is reached.

Closing

Ensure that the iron rest is stowed under the board before closing. To close, raise the rear of the board (nearest the iron rest) while lifting the release lever, allowing the rear legs to rise and the board swing into the vertical position.

Using the retractable iron rest

To use the iron rest, slide it out from underneath the board so that the rest is fully extended. When you have finished ironing, push the iron rest firmly back into position underneath the board before storing.

Fitting the cover

Pull tightly on the drawstring to tighten the cover. Press the toggle and slide it towards the board to tighten. Release to lock in position.

Caring for the cover

The cotton cover has been treated with Teflon® Fabric Protector from DuPont. Water rolls off and stains just wipe away. Teflon® provides maximum water and stain repellency, but still allows the fabric to breathe. A heat treatment (warm ironing or tumble drying) will optimize the performance of Teflon®. Warm machine wash on a gentle cycle. Line or tumble dry. Do not dry clean. To keep the cover's shape, fit to the board while still damp and iron dry.

5 Year Replacement Guarantee

We are so confident of the quality of our metal ironing board frame should it develop any malfunction within five years of purchase (12 months commercial use), due to faulty materials or manufacture, we will replace it for you free of charge.

Should you experience any difficulties with your metal ironing board frame, please contact our customer service line for advice on 1300 881 861 in Australia, or 0800 786 232 in New Zealand. Alternatively, you can send a written claim to Sunbeam at the address listed below. Upon receipt of your claim, Sunbeam will seek to resolve your difficulties or, if the metal ironing board frame is defective, advise you on how to obtain a replacement or refund.

Your Sunbeam 5 Year Replacement Guarantee obviously does not cover misuse or negligent handling and normal wear and tear. Similarly, your 5 Year Replacement Guarantee does not cover freight or any other costs incurred in making a claim. Please retain your receipt as proof of purchase.

The benefits given to you by this guarantee are in addition to your other rights and remedies under any laws which relate to the product.

Our goods come with guarantees that cannot be excluded under the Australian Consumer Law and under the New Zealand Consumer Guarantees Act. In Australia you are entitled to a replacement or refund for a major failure and for compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and the failure does amount to a major failure.

Should your metal ironing board frame require repair or service after the guarantee period, contact your nearest Sunbeam service centre.
