Features	Benefits
Winner of both the IF and Red Dot design awards in 2007	Regarded as some of the most coveted industrial design awards in Europe
Choice of left or right hand bowl	To suit your kitchen and personal preference
Stainless Steel 18/10 satin polish	Hand-crafted from 1.25 mm thick stainless steel and finished with Blanco's satin polish make this sink an ultimate food preparation area.
All in one: single bowl and drainer tray sink	Ideal for kitchens with limited space
Large 25 litre capacity main bowl and 6 litre capacity secondary bowl	For more functionality in the kitchen this bowl can be combined with the colander accessory.
Bowl depth 190mm main bowl & 130mm secondary bowl	Suitable for large pots pans and cooking utensils
10mm radius corners	Allows for easy cleaning
New FinoTop® rim	Creates and integrated seamless effect on flush mounted or inset sinks
Integrated pop up waste	Allows hands free drainage of the main bowl
Inbuilt overflow	No overfilling of the main bowl, prevents damage to the kitchen
