### 5% more powerful suction power<sup>4</sup>

#### 210W Suction<sup>1</sup>

Designed to help effectively capture dust and hair on multiple-surfaces, the HexaJet Motor can now generate up to 210W of suction<sup>1</sup> - 10W more than the old Jet 90. Additionally, 9 Jet Cyclones and 27 air inlets help reduce suction loss and trap fine dust.

2

### Cleaning that lasts

#### Up to 60 minutes Runtime<sup>2</sup>

No need to rush while vacuuming! A powerful battery maintains suction for up to 60 minutes<sup>2</sup> of uninterrupted cleaning. You can even double your cleaning time without recharging - simply replace the battery in use with a spare one<sup>5</sup> and extend your cleaning time to up to 2 hours.

3

### Free-standing charge stand

#### Z Station

Storing away the vacuum cleaner is just as easy on a free-standing Z Stand. The self-standing, slim design means you can place it anywhere - no wall mounting required. The slanted design makes it easy to park and detach the machine. It also comes with a dual charging port to charge additional batteries<sup>4</sup> so its ready for use when you need it.

4

### Digital Inverter Technology

#### 10 Year Motor Warranty<sup>3</sup>

Enjoy efficiency and long lasting performance. The HexaJet Motor's innovative design helps optimise airflow and is backed by a 10 years limited parts warranty<sup>3</sup> to give you peace of mind.

5

### 11% lighter<sup>6</sup>

#### Lightweight Design

Weighing just 1.44kg, the handheld body is now 11% lighter<sup>6</sup> than the old Jet 90. Now you move swiftly and comfortably while you clean hard-to-reach areas.

6

**Helps trap up to 99.999%<sup>7</sup> of dust<sup>8</sup>****5-stage Filtration**

With a five-layered filtration system, the Jet 95 Complete Stick Vacuum can help trap up to 99.999%<sup>7</sup> of dust<sup>8</sup>, helping to prevent release back into the air.

7a.

**Carpets and hard floors****Jet Dual Brush Slim LED Brush**

Enjoy outstanding cleaning on almost any surface. The Jet Dual Brush's soft roller helps pick up large dust<sup>9</sup> particles on hard floors while nylon and rubber bristles help improve performance on carpets.

7b.

**Dark and narrow spaces****Slim LED Brush**

With its LED lighting in the front, anti tangle roller and slimmer design, now you to clean thoroughly and never miss spot, even in dark spaces like under furniture.

7c.

**Additional Accessories include:**

**Pet Tool +** - Optimised for picking up hairs that are thin and easy to miss.

**Combination Tool** – For use on upholstery and keyboards.

**Extension Crevice Tool** – Designed for reaching into narrow crevices and nooks

**Flexible tool** – Designed to clean high areas such as on top of cabinets or shelves

8

**Ergonomic Design****Telescopic Wand**

Vacuum comfortably with the convenient, height-adjustable wand. With four options to choose from, set it to the most comfortable length that works for you and easily clean around the house.

9

**Easy maintenance****Washable Dustbin**

Cleaning your dustbin is quick and easy with all parts, including the multi-cyclone system, fully washable. Simply detach the dustbin from the hand-held body and tip its contents directly into the bin. You can then rinse all parts in water so its ready for use again.

10

**Check status at a glance****LCD Digital Display**

With a quick glance you can see suction level, remaining battery time<sup>10</sup> and how much the vacuum has been charged. It even alerts the user if there are blockages in the brush for easy maintenance.
