## Dimensions

Depth	480mm
Height	458mm
Width	596mm

## Features & Benefits

### Sized to suit

This 60cm Built-in Coffee Maker is perfect for the compact kitchen and can be placed virtually anywhere. Companion products share standard dimensions and can be installed in multiple configurations to suit your kitchen design and preference.

### Coffee choice

Your Coffee Maker has 13 different choices to suit your taste and selection - from Espresso to Latte.

### Barista-style coffee

The conical burr grinder delivers a consistent grind for the perfect coffee. Set it to suit your preference.

### Self-cleaning

The Coffee Maker has a self-cleaning function and comes with a removable drip tray and a waste container for used coffee grounds.

### Personalise your cup

Program your Coffee Maker to start up at the same time every day and make your favourite coffee - then save it as a setting.

### Beauty of choice

With the choice of a stylish stainless steel or elegant black trim, our Companion products help you achieve a coherent kitchen aesthetic that suits your design style.
