### Features & Benefits

#### Installation

The HS60XW4 model requires external ducting - either through the top or back. Ducted rangehoods are more efficient at removing steam, grease and odours.

#### Simple Control

On/off, two speed switch button control and separate light switch.

#### Easy Clean

Two filters, consisting of layers of aluminium mesh, trap grease particles but let air through. They are dishwasher safe or can be cleaned by hand in hot soapy water.

#### Designed to Match

These rangehoods have both brushed stainless steel and white glass front panel handles to match your cooktop or oven.
