LAURASTAR 

LAURASTAR S6^a

 **SWISS** TECHNOLOGY | DESIGN

KEY FEATURES

Immediate use : super fast heating time in just three minutes. Set up and stored away in an instant with its patented foldable system.

Ergonomic : 6 height adjustment settings and a wide ironing surface tapering to a narrow point, ideal for any type of clothing.

Continuous ironing : removable water tank with a 1.2 L capacity and built-in antiscald filter, allowing tap water to be used.

Auto stop function : the iron turns off automatically after 15 minutes of non-use for enhanced safety and energy efficiency.

Safety storage box to store safely the iron while it is still warm.

Easy to move around with its two pairs of integrated wheels.

Easy to store away : folds away to a compact 20 cm, with an automatic cable rewind.

AUTOMATIC STEAM

AUTOMATIC STEAM

With an effortless movement of the wrist, steam is automatically released when the iron moves forward and stops when the iron moves backwards.

ACTIVE TABLE

ACTIVE TABLE

The table includes a 2-speed blower and vacuum system to ensure crease-free ironing. The direction may be changed from blower to vacuum simply by pushing a button.

PROFESSIONAL IRON

PROFESSIONAL IRON

Laurastar's exclusive professional soleplate diffuses an extra fine and powerful steam that adapts to all fabrics. Its rounded shape helps to prevent unwanted creases.
