

Marseille • RAHP6X

60cm Downdraft Extractor Range Hood

Signature Features

Downdraft System

 Unobtrusively placed under your kitchen countertop while optimizing space, so that you can conveniently raise and activate it at the touch of your fingertips when needed and slide it down once you've finished cooking

High Performance

• Powerful air extraction of up to 700m3/h and enhanced by a 4-speed fan mode, with the best ergonomics so that it can seamlessly integrate into your kitchen.

Optimal Clean Air

• Equipped with activated charcoal filter and 5-layer filter for optimal smoke and odor absorption capacity

Eco Friendly LED Lights

• Environmentally responsible LED lights (2 * 1.5 W) provide ample clarity over the cooking area

Intuitive Touch to Slide Control

• Easy to understand and easy to operate, so you can easily adjust the power and access all of the important functions at your fingertips

Space Saving & Easy Installation

• Installation requires minimal ducting, allowing you to utilize the cabinets directly underneath the cooktop and maximizing the space in your kitchen.
