

HVFE2150LB-XE

3in1 with ORA Technology

Selling Proposition

- 12 Air-Cylcone separates debris from clean air without traditional filters, prevents clogging and provides no loss in suction.
- Powerful airflow and motorised beater bar provides one pass pick up performance, even with heavier debris.
- 21.6V Lithium-ion battery. Cordless freedom with fade free power throughout the run time.
- Use as a floor and hand vacuum to clean any surface in your home.
- Fully charge the battery in under 4 hours with the wall mounted charger.
- Don't be caught short whilst cleaning. The LED indicator displays your remaining battery run time.

Standard Equipment

- 2 in 1 nozzle/flip out upholstery brush
- Extendible crevice
