With ILVE's NEW Induction with Gas Cooktop, you can simmer at the lowest temperatures that your recipe calls for or go to searing heat instantly. With infinite precision heat settings you'll have perfect cooking control. Cleaning is easy! There are fewer food trapping cracks and crevices allowing for easy wipe maintenance.

The trivet, burner cap and supports are removable and easily cleaned either in a dishwasher or by hand. ILVE have maintained their core values as a family owned business and continue to manufacture appliances that represent the most pure thing in a family – dinner time! The kitchen is, and should always be, a place and a time where the family meets and shares.
