BENEFITS

Stylish Design

Crafted with ultra-modern flat doors, elegant handle options and your choice of Dark or Natural Real Stainless Steel or white your fridge will be the centrepiece of your kitchen. (Options vary by model)

Energy Efficiency

Our range has been designed to be energy efficient*, reducing your electricity usage and so helping you to care for the environment around you. (Energy ratings and running costs vary by model) *Designed to meet MEPS AS/NZS4474.

FreshSeal Crispers

Our FreshSeal Crispers have advanced seals, and with humidity control you get better flexibility to look after your food the right way. Our seals assist in preventing moisture loss, while the humidity control lets you provide a better environment for fresher tasting food.

FlexStor Adjustable Door Bins

When life gets busy, flexibility is a life saver. That's why Westinghouse created the FlexStor system. The adjustable door bins allow for quick and easy adjustment whenever or however you need it. We make it easy to do more with your fridge.

SpillSafe Glass Shelves

Spills happen, but when they do, the world doesn't have to end. The Westinghouse SpillSafe glass shelves help with the mess by containing the spilt liquid to one shelf, so you have less to clean.

Easy-Glide Telescopic Runners

You don't know it yet but you'll love the easy glide telescopic runners in our freezers. They're easy to open and close and when fully extended provide superior access to your frozen foods. No matter how much food you have stored, they'll always run smoothly.
