

KitchenAid®

PLATINUM STAND MIXER KSM170

The KitchenAid® Stand Mixer features a premium finish and elegant 4.7L glass mixing bowl, designed to deliver optimal power to prepare large quantities of dough and cake batter, without compromising on performance. With 10 speeds, the stand mixer will become your kitchen's culinary centre as you mix, knead and whip ingredients with ease. For even greater versatility, the power hub fits over ten optional attachments to turn the mixer into a pasta maker, food grinder, vegetable slicer, sausage maker and so much more.

PLATINUM STAND MIXER

PREMIUM FINISH & DESIGN The stand mixer is designed to give professional results combined with its high quality construction and iconic timeless design.

PLANETARY MIXING ACTION The 59 point mixing action gives optimal bowl coverage for efficient and a thorough incorporation of ingredients.

DIRECT DRIVE MOTOR Ensures quiet operation to deliver incredible power and mixing efficiency.

VARIABLE 10 SPEED Powerful for any task or recipe, whether you're stirring wet and dry ingredients together, kneading bread dough or whipping cream.

TILT-HEAD DESIGN Allows clear access to the mixing bowl and to easily attach bowl tools, as well as adding ingredients when preparing a recipe. Locking the head into place during operation keeps the beater-to-bowl contact close and efficient.

POWER HUB With over 10 optional attachments, turn your stand mixer into a complete culinary centre. Prepare pasta from scratch, shred parmesan cheese, make fresh salads and flavoursome sausages with so much ease.

GLASS BOWL The 4.7L bowl enables clear visibility and easy preparation of all ingredients. It is dishwasher and microwave safe.

MADE IN THE USA Since 1919 KitchenAid continues to manufacture in Greenville Ohio.
