Your Gift Card may only be used at retailers who accept the Gift Card. The identity of the retailers who have agreed to accept the Gift Card may change from time to time. Each participating retailer will accept the Gift Card in accordance with these Terms of Use and any applicable law.

You acknowledge that the Gift Card may not be used:

- to pay a store or credit account (e.g. a Coles Group Card or a Coles Group Source MasterCard account);
- to purchase goods or services that a retailer is not permitted to supply to you (for example, a retailer cannot by law sell alcohol to you if you are under 18 years of age);
- to make purchases from certain sub-lets or licensees operating within a retailer's premises. A current list of these sub-lets and licensees is available by calling 1300 304 990; and
- for purchases over the Internet (excluding Target or Coles Group & Myer gift cards for use on www.target.com.au) or by email, phone or fax.

How to load the Gift Card at stores (for Gift Cards purchased in-store)

Present the card to the point of sale operator. Check that the card has not been removed from the cardboard carrier and the scratch panel on the back of the card has not been tampered with or removed. If it has been tampered with or removed, give the card to the operator to be destroyed and select a new one. Nominate the value you wish to be loaded on the card. A minimum of \$5.00 and a maximum of \$250.00 can be loaded on each card. Pay for your Gift Card and the transaction will be completed when the card is activated through our point of sale system. Gift Cards cannot be purchased by using a Gift Card, a temporary Myer Card, a Temporary Myer Visa Card or Cheque. Gift Cards cannot be reloaded.

Note: there may be a delay with the Gift Card activating in the system once loaded. During this delay, the Gift Card cannot be used for purchases or transaction enquiries.

Gift Cards that are purchased directly from Coles Group & Myer Corporate Services are pre-loaded and activated in bulk in accordance with our Gift Card Ordering Terms (see www.giftcards.com.au/corporate).

Purchases with your Gift Card

Select goods in your participating store with a Gift Card and take them to the point of sale operator. The operator will instruct you to swipe your card in the pin pad, and then enter the Access PIN into the pin pad. The transaction will be completed when the balance has reduced on your Gift Card. No change will be given: any remaining balance on the card can only be used in whole or part against future purchases.

You agree that we can reduce the Remaining Card Value by the value of all purchases of goods and services that are authorised by you.

Transactions are authorised by you by:

- swiping your Gift Card and entering your Access PIN, or allowing an operator or other person to do so, at an electronic point of sale terminal at a participating retailer; or
- giving a participating retailer details of the Gift Card and authorising the transaction in some other way approved by that retailer. When you authorise a transaction:
- you are confirming that the transaction correctly represents the purchase price of the goods or services obtained; and
- you are agreeing to pay the amount of that transaction by the reduction of the Remaining Card Value.

Purchases exceeding the Gift Card value

Your Gift Card may only be used to make purchases up to the Remaining Card Value. If you wish to make a purchase for an amount that exceeds the Remaining Card Value, you must pay the excess using another payment method.

No cash advances

You cannot obtain any cash advance with your Gift Card or redeem your Gift Card for cash.

3. Transactions made using the Gift Card

How and where you can use the Gift Card

3.1 Purchases with your Gift Card:

INSTORE: You may purchase goods from Amart Sports on the Gift Card by selecting the goods and taking them to the point of sale operator at any Amart Sports throughout Australia. The operator will instruct you to swipe your card in the pin pad, and then enter the Access PIN into the pin pad. The transaction will be completed when the balance has reduced on your Gift Card. No change will be given: any remaining balance on the card can only be used in whole or part against future purchases.

ONLINE: You may purchase goods from the www.amartsports.com.au on the Gift Card by finding the goods, adding them to your basket and taking them to the final stage of the Check-out process. You will have the option to add your full gift card number, pin and desired amount, and then press the "Apply" button. You will note the Gift Card amount has been subtracted from the Total of the Transaction. The transaction will be completed when the goods are packed and processed. No change will be given: any remaining balance on the card can only be used in whole or part against future purchases.

3.2 You acknowledge that the Gift Card may not be used:

- to pay a store or credit account;
- to purchase goods or services that Amart Sports is not permitted to supply to you by law in the location the sale is to take place (for example, a retailer cannot by law sell alcohol to you if you are under 18 years of age and there are age restrictions on weapons and volatile substances that vary between states);
- to purchase goods or services that are not permitted to be supplied to you under rebel company policy in the location the sale is to take place – for example spray paint will not be sold to persons under 18 – these sale restriction policies may vary between stores; please observe the available signage or ask a store manager for any sale restrictions which apply; and/or
- for purchases by email, phone or fax where proof of purchase can not be established;

3.3 Gift Cards that are purchased directly from www.amartsports.com.au in the same transaction will be pre-loaded and activated at the same time/concurrently.

Conducting transactions

3.4 You agree that we can reduce the Remaining Card Value by the value of all purchases of goods and services that are authorised by you. Transactions are authorised by you by:

- swiping or entering your Gift Card number and entering your Access PIN, or allowing an operator or other person to do so, at an electronic point of sale terminal at a rebel store; or
- giving rebel details of the Gift Card and authorising the transaction in some other way approved by rebel.

3.5 When you authorise a transaction:

- you are confirming that the transaction correctly represents the purchase price of the goods or services obtained; and
- you are agreeing to pay the amount of that transaction by the reduction of the Remaining Card Value.

3.6 Purchases exceeding the Gift Card value:

Your Gift Card may only be used to make purchases up to the Remaining Card Value. If you wish to make a purchase for an amount that exceeds the Remaining Card Value, you must pay the excess using another payment method.

3.7 No cash advances:

You cannot obtain any cash advance with your Gift Card or redeem your Gift Card for cash.
