ILVE Domino hobs are designed for a modular look. They can be combined or simply placed separately to give your kitchen the ultimate in cooking facilities. ILVE lets you cook with gas or electricity or both. Deep fry, Barbecue, Tepanyaki or just find you a place to rest your pots, nothing has been forgotten. Even the cooking odour and vapour can be eliminated by installing any one of ILVE’s cooker hoods, just set the fan speed and ILVE’s powerful fan will quietly dispatch all fat laden air. If it’s Domino mixed hobs you’re specifying insist on ILVE. ILVE Domino hobs are available in smooth vitreous enamel or exclusive treated hardened stainless steel.
